AIR MAIL

Mr. Arturo Morales Carrion
Undersecretary
Puerto Rico State Department
San Juan, Puerto Rico

Dear Mr. Carrion:

At our International Association of Personnel in Employment Security International Convention in Philadelphia in June, we are planning a panel presentation on the subject "Training Our Overseas Visitors". The presentation is to be made on Wednesday morning, June 18, and we have asked Mr. John Ewing to serve as moderator of that panel.

Mr. Ewing has given us your name as one whom he would like to have serve with him on the panel. Your name had also been previously suggested by Mr. Israel Planell.

We, therefore, would be very happy if you could accept our invitation to serve on the above panel. If you are able to serve, Mr. Ewing will contact you directly as to how the presentation is to be made.

Will you let me know as soon as possible if you can accept our invitation.

Sincerely yours,

Hendrik G. Nobel
