

June 8 1954

Dear Governor Muñoz Marín:

I was very pleased to receive your cordial letter of June 4 and you may be sure that I am looking forward to the possibility of taking advantage of your very hospitable invitation to visit Puerto Rico. The developments which have taken place under your leadership have already been an inspiring example to a host of Latin Americans, and I am confident that there is much more that can be done to extend to other countries the experience that has been gained in Puerto Rico.

Not only did I enjoy my recent discussion with Dr. Rafael Picó and Dr. Arturo Morales Carrión, but my association with Dr. Morales Carrión at the Caracas Conference was a very pleasant and stimulating experience.

I will of course write to you well in advance when I find that I can plan for a trip to Puerto Rico.

With appreciation and best wishes,

Sincerely,

Henry F. Holland  
Assistant Secretary

His Excellency  
Luis Muñoz Marín,  
Governor of the Commonwealth of  
Puerto Rico,  
San Juan, Puerto Rico.
