

4 February 1954

My dear Mr. Cabot:

I am very grateful to you for your interest in submitting my name to the President as alternate delegate to the Caracas conference. As I have stated in my cable to you, I shall be pleased and honored to serve if appointed.

At the suggestion of the Governor, I had already written to Mr. Raine requesting material on the conference. We should like to offer the utmost cooperation of Puerto Rico to the aims of this meeting, particularly in such fields as cultural cooperation or technical assistance where our experience or facilities may be useful to other countries.

Sincerely yours,

Arturo Morales Carrión
Assistant Secretary of State

The Honorable
John Moors Cabot
Assistant Secretary of State
Washington, D.C.
