The Honorable Arturo Morales Carrion  
Under Secretary of State  
Commonwealth of Puerto Rico  
San Juan, Puerto Rico

My dear Mr. Morales Carrion:

I have always been so sorry that you were called away from the Lima Conference and that there was no opportunity to get better acquainted with you.

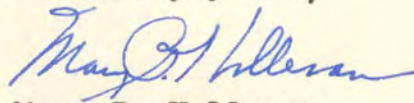

I think I may have missed seeing you on May 14 as I was waiting to reboard a National plane for Washington in Miami. An official party from Puerto Rico went on board first. When I got in I sat with a Vice-President of National Airlines who was very pleasant. After awhile a stewardess asked him if he would join Gov. Marin's party. He said he would for a few minutes and then he returned to sit with me. Afterwards I wondered if you could have been there but at the time I thought you were in Denmark. Besides, I was suffering from "combat" fatigue and was developing a bad cold.

I saw Muna in Washington for breakfast about three weeks ago. She told me she had stopped in Puerto Rico on her way home. She was wonderful in Lima. In fact I do not know how I could have gotten along without her.

You were most kind to send me the wonderful materials about Puerto Rico. I am so happy to have them. Most of all I appreciate your thoughtfulness in sending them to me.

I hope to see you sometime in the not too distant future.

Sincerely yours,

  
Mary P. Holleran
