20 December 1956

Dear Dr. Whitaker:

I have received your letter inviting me to a luncheon on Sunday, December 30th, of the Advisory Committee. I deeply regret that I shall be unable to attend. The end of the year is a particularly difficult time for me to be away and, on this occasion, I have besides to handle many of the details of the Governor's inaugural which will take place on January the second.

In regard to the A. H. A. Committee on Honorary Members, may I suggest Jorge Basadre, José Luis Romero and Pedro Calmon.

We had a very successful meeting of the Committee on the History of Ideas. I shall see that you get a full report on the sessions as soon as it is ready.

With my best wishes for a Merry Christmas and a Happy New Year, I remain

Cordially yours,
