Honorable and Mrs. Morales Arturo Carrion
Under Secretary of State
State Department of Puerto Rico
San Juan, Puerto Rico

My dear Friends:

My wife and I have just returned from our trip to Puerto Rico and South America and we look back on those few weeks as very happy ones and very productive ones. We want to thank you for your wonderful hospitality and for helping us understand the great developments in Puerto Rico. We feel that you have done things which all the world ought to know about and that we are glad we learned about.

Our very best wishes to your good wife and you and the Season's Greetings.

Sincerely,

Governor
