

LORETTO HEIGHTS COLLEGE
LORETTO, COLORADO

May 27, 1958

Dear Mr. Morales:

Pardon me, but may I have your autograph?

I am a student at Loretto Heights College in Denver, where the Student Government Association has pledged itself to furnish a new dormitory. To do this, we have undertaken a huge and exciting project--to gather the world's largest collection of autographs!

It would be a great pleasure for us to have your name in a place of honor together with others from all parts of our country and the world. The collection will be displayed in our student lounge.

Won't you please send me your signature and one dollar, or more, to help make the "World's Largest Autograph Collection" a reality?

It would be an honor to include your autograph in our section for "The Good Things in America". Won't you send it, please?

Gratefully yours,

Lorraine Brown
