Dear Paul:

Many thanks for your kind letter of October 23rd. I have already written a note to Henry LaCossit at the hospital. He did a fine job with the article.

You are absolutely right: I am "conference punch-drunk".

I hope some future historian will have some kind words to say on the contemporary chapter on "Puerto Rico and the Non-Hispanic Caribbean". I assure you this is a much tougher one to write.

Kind regards from,
