

Dear Dr. Holloran:

The Government of the Council of P.R. has  
dated May 4  
sent me a cable, requesting that I ~~proceed to~~ <sup>be in</sup> N.Y.  
at the latest next Monday to accompany  
them to the Bilderberg Conference in ~~Stockholm~~ <sup>Copenhagen</sup>.

I very much regret that the requirements of  
my official position in P.R. give me no  
alternative but to comply with the Government's  
request and therefore to leave Lima over  
the week-end.

As you know, my presence here  
thus far has been made possible through  
the decision and coop. of the Council  
Govt. and as an expression of its desire

To help in ~~whatever way~~ its feasible the  
aims of U. S. foreign policy, especially  
in the field of inter. Am. cult. relations.

I wish you the best of success  
in the Conference.

Sincerely yours  
Owen
