

GEORGE LETCHWORTH REED  
HOUSING CONSULTANT

February 10, 1961

Hon. Arturo Morales Carrion  
Departamento de Estado  
San Juan, Puerto Rico

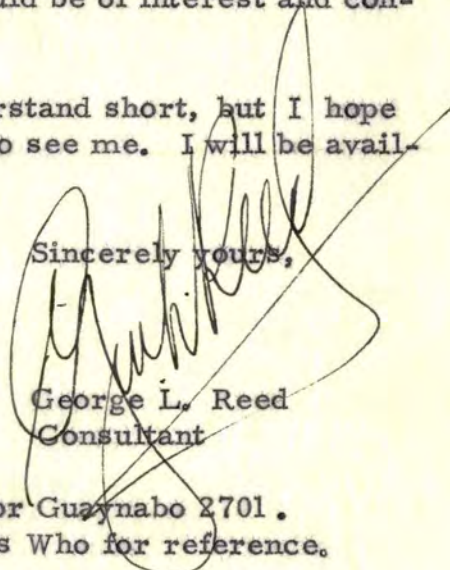

Dear Mr. Carrion:

I'm not sure whether to congratulate you, the State Department or Puerto Rico. Perhaps it is enough to recognize the tremendous challenge you face and to wish you the success the nation so badly needs.

With ten years experience with the State Department, last as Chief of the Housing Division for ICA, which I organized, I have ideas as regards the housing scene in Latin America that should be of interest and conceivably of value to you.

Your time here is, I understand short, but I hope you can find half an hour to see me. I will be available at any time.

Sincerely yours,

George L. Reed  
Consultant
