Mr. Franklin W. Morrison, President  
First Federal Savings and Loan Association  
610 - 13th Street, N. W.  
Washington, D. C.

Dear Frank :

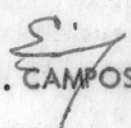

Mr. Arturo Morales Carrion, recently appointed by President Kennedy, Deputy Assistant Secretary of State in charge of Latin-American affairs, is moving his residence to Washington.

He is an old friend of mine and I would appreciate very much if you could assist him in providing the necessary financing for a house that he wants to buy in Washington. I understand that he has already seen various houses in residential sections but has not as yet made his mind as to which one he desires to buy. He is not an expert in the field of real estate and it will be appreciated if you could advise and at the same time provide him the services of one of your appraisers so that before he commits himself he will know in advance the real value of what he is buying. I will be in New York next Monday and will call you from my office in New York in connection with this matter.

I have given to Mr. Morales Carrion a letter of introduction for you.

With best personal regards, and thanking you for the courtesies that you extend to Mr. Morales Carrion, I am

Cordially,

  
E. CAMPOS DEL TORO
