 SUBJECT : Official Luncheon for Visiting Brazilian Congressmen

Seven members of the Brazilian Chamber of Deputies will visit Washington March 26 to 30 under the auspices of the Department's Foreign Leader program. In view of the importance attached to the congressional visitors program, and in keeping with the courtesies extended to previous Latin American congressional delegations, I should like to sponsor an official luncheon at the President's Guest House at 1 p.m. on March 27 in honor of the visiting Congressmen. Your assistance in making appropriate arrangements would be appreciated.

A suggested guest list (maximum of 16 persons) is attached.
