Dear Dr. Morales:

In accordance with our policy of having USIS field officers visit Puerto Rico whenever possible, Robert Amerson, Information Officer at Caracas, plans to spend several days in San Juan starting September 7. Mr. Amerson has been in the United States on home leave. He will return to Caracas after his visit to Puerto Rico.

set 3/57

Mr. and Mrs. Amerson and their two small children will arrive in San Juan on PAA flight 215 at 5:15 a.m. September 7. We would appreciate your reserving him a duplex apartment at the Escambron and leaving word at the PAA desk at the airport. Mr. Amerson will call you after his arrival. The question of a program for Mr. Amerson we leave to your discretion.

NORMANOTE

You will be pleased to hear that the new exhibit on Puerto Rico is ready to be shipped to Latin American posts. It is a very handsome job, and it says what should be said subtly and with considerable style.

Sincerely yours,

E. S. Staples
