

SPECIAL ASSISTANT TO THE UNDER SECRETARY OF STATE
WASHINGTON

December 16, 1959

Dear Muna:

This is just a short one to tell you that your project has been carried out as you requested. I got a copy back and intend to make use of it.

If you see Dr. Morales Carrion, tell him I am truly sorry I missed him. I was extremely impressed with him, and am recommending to Mr. Dillon and other appropriate people that, if Dr. Morales Carrion is willing, we should make every possible use of him on future American delegations.

Lucia and I envy you your lovely house. We look forward to having you with us when you return.

Sincerely,

Dixon
