Mr. Arturo Morales Carrion
Assistant Secretary of State
San Juan, Puerto Rico

Dear Mr. Morales Carrion:

We are very proud of our contribution to the Government's campaign in selling Puerto Rico abroad, which is a film in color of our Gulf/Puerto Rico service with the dialogue both in English and Spanish.

We are showing the Spanish version to the Government Officials, the press, and some of our civic leaders, and we invite you to see it, at a Cocktail Party at the Bankers Club, on April the 6th, from 6:00 to 8:00 P.M.

Will you please join Messrs. James K. McLean, President, Waterman Steamship Corporation, Crawford F. Balch, Vice President, and the writer on this very happy occasion.

Yours sincerely,

Jose P. Castrillo
