Department of State
San Juan, Puerto Rico

Dear Arturo:

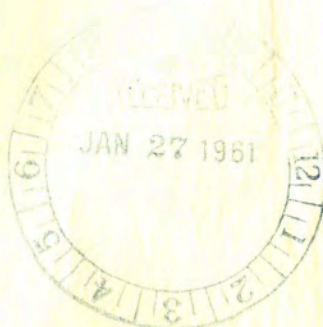

I was pleased to notice in the New York Times of January 19th that President Kennedy has decided that Puerto Rico will be used even more in our relations with Latin America.

I can see that you and your colleagues have been very busy and doing an excellent job. I congratulate you on this particularly fine achievement, as I am sure that Puerto Rico will have an even greater role in improving relations in this Hemisphere.

Sincerely,

George
