

2 August 1960

Dear Ken:

I have read with great interest your preliminary memorandum on the Fourth National Conference on Exchange of Persons. I am planning to attend and this time I hope to take Inés with me to San Francisco.

I trust you will consider my Department as one of the participating Organizations. We shall be happy to help in any way we can.

My very best to you and Mary and your staff.

ARTURO MORALES CARRION
