The Honorable Arturo Morales Carrion
Under Secretary of State
San Juan, Puerto Rico

Dear Arturo:

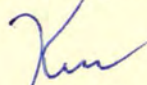

I was delighted to learn from Pearl Purcell that you and possibly Ines plan to attend the Fourth National Conference on Exchange of Persons.

This is to say that we would be very pleased if you would agree to serve as chairman of the panel discussion on exchange-of-persons programs between the countries of Latin America and other nations. This panel is scheduled to meet on Thursday, December 1, from 9:30 a.m. to 12:30 p.m. As you will note from the enclosed preliminary program, the theme of this series of panels is "How Exchange Programs Help Nations Achieve Their Educational Goals." It is not expected that panelists will prepare formal speeches but that they will discuss informally among themselves such questions as are identified in the enclosed mimeographed memorandum on the panel discussions, workshops, and clinics at the Conference (see page 1). A list of suggested topics for discussion among the panelists will follow.

Pearl told you that we will of course list the Department of State of the Commonwealth among the Participating Organizations.

It is very good to know that you will be with us.

Sincerely yours,

Kenneth Holland
President
