

June 1, 1956.

Dear Don Luis,

You entertained my friend Bob Low when he was in San Juan last week.

I'm sure you will be surprised and interested by this letter I have just received from him and the enclosure he sent along.

The award would be good public relations material for Puerto Rico. Will keep you advised of any further activities in this line.

Sincerely,

/s/ Horton Sontheimer

Hon. Luis Muñoz Marín
Governor of the Commonwealth
La Fortaleza
San Juan, Puerto Rico
