Dear Sir:

I referred your letter of August 16 to the consideration of the University Board of Mayagüez at the session held on August 19 of this year.

The Board agreed to notify you that there are in the College temporary positions, like the one you are now holding, in order to attend the changes brought about every year by the registration of first year students.

On the other hand, the Board understands that the Director of General Studies, Mr. Francisco Vázquez Pueyo, informed you of the Board's decision, taken in its session of June 5, 1957, that the administration has no further plans to utilize your services, after your present contract expires.

Sincerely,

(sgd.) Luis Stéfani
