Dear Doctor Morales-Carrion:

As Doctor Wilgus has informed you, our School of Inter-American Studies now is organizing its Eighth Annual Conference on the Caribbean to be held on the Gainesville campus December 5, 6 and 7, 1957, dealing with the contemporary British, Dutch, French and United States Caribbean. It is my pleasure to invite you on behalf of the School to prepare a paper on Round Table IV devoted to the United States Areas, which you will find indicated on the program outline previously sent to you.

The University is able to offer you an honorarium sufficient to cover your travel expenses and your board and room costs during the period of the Conference. Proceedings of the Conference will be published by the University of Florida Press.

We are all looking forward to your visit on our campus and to your participation in this important annual event. Further details will be sent to you by Doctor Wilgus.

Cordially yours,
