Dear Doctor Morales:

We appreciate your recent acceptance of President Reitz' official invitation to participate in our Eighth Annual Caribbean Conference which will be cosponsored by Esso Standard Oil, S.A., Havana, Cuba. I should like to take this opportunity to remind you that the paper you prepare for the conference must be presented in no more than twenty minutes reading time, but the paper itself which the University of Florida Press will publish in the conference proceedings may be somewhat longer and may contain footnotes and a bibliography, if desired. We would like to have two copies of the typed paper in our hands by November 1, 1957. We shall keep one copy in our files for printing and the second copy we shall use for publicity purposes. The University of Florida Press has suggested that we send to you the enclosed MLA Style Sheet to serve as a guide in preparing your paper.

Will you please send as soon as possible a title for your paper? At the same time we should like to have a glossy photograph of yourself and pertinent biographical information which may be used for publicity purposes. We especially wish to have the title of your official position as you wish it to appear on the printed program.

We are delighted that you can take part in our conference and we are looking forward to having you on our campus in December. About October 1 we shall send you a copy of the printed program.

Sincerely,

A handwritten signature in dark ink, appearing to read "A. Wilgus".
