Dr. Arturo Morales Carrión  
Under Secretary of State  
Commonwealth of Puerto Rico  
San Juan, Puerto Rico

Dear Dr. Morales Carrión:

Dr. Wilgus has asked Radio Center to record a discussion with you, as one of the noted authorities to appear at the Eighth Annual Conference on the Caribbean, provided you will give your consent. The discussion would later be broadcast.

This letter comes, requesting your consent to appear on one of these discussions. Dr. Wilgus has suggested that one panel include you, Dr. G. V. Helwig, and Dr. Hans G. Hermans.

The discussion would be quite informal and would cover information in papers to be given at the conference by you, Dr. Helwig, and Dr. Hermans. I will have questions prepared at the time of the recording session. If any revision is necessary in these questions, I shall be happy to make changes at the time. These recording sessions are designed to cover some of the salient points brought out at the conference and at the same time to cause as little preparation on the guest's part as possible.

If you can appear on one of these discussions, I shall contact you at the conference to arrange a time when you three gentlemen would be available.

If, for any reason, you are unable to appear on one of these recordings, could you please drop me a note? Thank you very much. I hope I shall have an opportunity to meet you.

Very truly yours,

*Mickie Newbill*
