

February 7, 1958

Dear Captain Weathers:

I am pleased to attach a copy of my paper presented at the Caribbean Conference sponsored by the University of Florida, which you requested recently. I have revised it and added some useful quotations by Governor Muñoz Marín. I also enclose a recent speech by the Governor and hope that both papers be helpful to you in your work with the civic clubs in Montgomery.

Best regards from,

ARTURO MORALES CARRION
Commonwealth
Under Secretary of State

Capt. Bynum E. Weathers, Jr.
