

February 7, 1958

Dear Harry:

I am attaching two documents that may be of interest to you: a revised copy of my paper presented to the Caribbean Conference sponsored by the University of Florida and the Governor's recent speech before an ICA meeting in Puerto Rico.

I still remember with deep gratitude your many courtesies to me during my short stay in Florida and hope to reciprocate on your next visit to Puerto Rico.

Best personal regards from,

ARTURO MORALES CARRION
Commonwealth
Under Secretary of State

Prof. Harry Kantor
Department of Political Sciences
