DEPARTMENT OF GEOGRAPHY

Dear Dr. Morales,

Many thanks for your
 thoughtfulness in sending me a series
 of pictures of the meetings of the
 Conference on Plantation Systems in
 the New World. It was very kind of you.
 We were extremely happy that you
 could be with us for our Caribbean
Conference, and I must say the
 whole Puerto Rican contingent gave
 excellent papers. You are all to be
congratulated.

kindest personal regards and all
 best wishes. Saludos Cordiales
 R. Crist
