INSTRUCTIONS FOR PREPARING SCHEDULE C

(See Appropriate Supervisory Officer's Manual for Additional Regulations and Instructions)

Use this form to itemize Expenditures for Part 6 or 9. This form may be duplicated or the information may be itemized on computer printouts or any 8½ x 11" paper providing only the information required in the same format.

This Schedule is to be used to ITEMIZE ONLY THE EXPENDITURES AS SPECIFIED BELOW FOR EACH PART. The "Total This Period" amount for each itemized Part is to be carried forward to the corresponding Part of the Summary Report. When applicable, the total of all other expenditures NOT REQUIRED TO BE ITEMIZED UNDER A GIVEN PART is to be entered as a lump sum on the "UNITEMIZED" line of the appropriate Part of the Summary Report.

Part 6. COMMUNICATIONS MEDIA EXPENDITURES.—This is an account of expenditures in any amount during this reporting period in the communications media, which are defined as television, radio, CATV, newspaper or magazine advertising, outdoor advertising, or expenditures for the costs of telephones, paid telephonists, and automatic telephone equipment used to communicate with potential voters. Itemize as to amount and date of expenditure and other data as indicated in the column headings. Expenditures include not only the direct charges of the media but also agents' commissions which should be separately stated if so billed. Date or dates of use or period of intended use are also required. If an expenditure is for two or more purposes, specify the amount of expenditure allocable to each.

If an expenditure was made before April 7, 1972, for use of communications media after that date, the use and amount must be reported and charged against the candidate's limitation applicable to the election in which used. Report the date or dates of use as well as the amount paid, the payee and other required information on a separate Schedule C appropriately labeled. Do not include the amounts paid in the total expenditures amount for the reporting period.

Only multicandidate committees (*i.e.*, those supporting financially more than one candidate) need allocate each expenditure on behalf of a candidate or candidates in the appropriate space. *Committees supporting a single candidate need state only once that all expenditures are on behalf of that candidate.*

Part 6 includes telephone canvass expenditures which are chargeable to the statutory limitation as communications media expenses, namely, for the costs of telephones, paid telephonists, and automatic telephone equipment obtained for the specific purpose of communicating with potential voters. It does not include normal telephone costs of a candidate, his staff and his authorized committees for campaign purposes, which are reported separately with other expenditures under Part 9. Nor does it include costs incurred by an individual volunteer for use of a telephone by him. [Section 304 (b) (9).]

Part 9. NON-COMMUNICATIONS MEDIA EXPENDITURES.—This is an account of all other expenditures over \$100 made during this reporting period and not included in Parts 7, 8, or 10, itemized as to amount and date of expenditure and other data as indicated in the column headings. If an expenditure is for two or more purposes, specify the amount of expenditure allocable to each.

In Part 9, the only other expenditures that need be allocated in the appropriate space are those of multicandidate committees (*i.e.*, those supporting financially more than one candidate) which are transfers of funds to a candidate or candidates or are specifically identifiable expenditures to or on behalf of a candidate or candidates. *Committees supporting a single candidate need state so only once.*

The schedule includes normal telephone costs of a candidate, his staff and his authorized committees for general campaign purposes; it does not include telephone canvass expenditures which are chargeable to limitation as communications media expenses, as described in the above instructions to Part 6. [Section 304 (b) (9).]
