Dear Friends:

Please excuse me for my absence last Friday evening, when the Polytechnic family met to acknowledge your fine services to the institution and to the young people of Puerto Rico.

I was absent in Río Piedras for a few days on account of my brother's illness.

I greatly regret my absence and want to join ~~the~~ others expressing you my most sincere appreciation for all that you have done me and to the people of Puerto Rico.

Very sincerely yours

Juan Bidot.
