THIS IS MY FATHER'S WORLD

This is my Father's World
And to my listening ears,
All nature sings, and round me rings
The Music of the spheres.
This is my Father's World:
I rest me in the thought
Of rocks and trees, of skies and seas,
His hand the wonders wrought.

This is my Father's World,
The birds their carols raise,
The morning light, the lily white,
Declare their Makers praise.
This is my Father's World:
He shines in all that's fair;
In the rustling grass I hear him pass
He speaks to me everywhere.
