Dear Mr. and Mrs. Palmer,

We wish to thank you for your years of service in and out of the Class room, for your willing cooperation, your untiring work, your example, your interest and help especially in the religious and social life.

As the Alumni honor you, please know we too should like to congratulate you and wish you many more years in the Polytechnic. We should love to be in line to shake your hands.

I have no flowery words of praise or advice such as you deserve except that I hope you will keep on just as you have begun. The College is richer for your presence, and you are richer for all the strength and life you have given away.

With love to Boyd, Rachel and Cynthia
