Mr. & Mrs. Boyd B. Palmer
Polytechnic Institute
San German, Puerto Rico

Dear Mr. & Mrs. Palmer:

The Polytechnic Alumni of St. Croix take this opportunity to congratulate you for your twenty-one years of service at our Alma Mater. It has been a noble idea to dedicate the Founder's Day celebration this year to honor you, since you deserve the title of co-founders of the college. Furthermore, your faithful work through the years has been a deciding factor to make Polytechnic what it is today: the only accredited college in Puerto Rico.

In the hours of meditation and thinking, our memories go back to the days when we studied at Poly and among the many good instances that we remember are the different activities sponsored by you: the English Composition and Literature classes, the Zoology and Hygiene lectures, the English Club, the Science Club and others. Realizing that our words are unable to express to you our deep appreciation for all that you have done for us and for our college, we only ask you to accept our sincere felicitation on this Founder's Day celebration in your honor.

Yours very truly,
