Campaign Materials

Final approval of the Leadership Statement has been made and 1000 copies will be printed in English. The statement will be translated into Spanish and 2000 copies printed. The cover will be in both Spanish and English in line with the bilingual aspects of the University. The material will be bound so that additional copy can be inserted when necessary.

It was decided that separate case statements will be prepared for the library, the university school, faculty housing, and the Philosophy Department to be housed in the Recording Studio, which are the immediate items to be funded. These will be drafted by members of Dr. Hoxeng's staff and will be put in final form by Tamlyn & Brown.
