IAU of P.R. Report for  
week of October 10, 1966.

From: W. Wasson

#### Board of Trustees

Tamblin & Brown completed a summary of Board of Trustees evaluations and submitted findings to the Planning and Development Committees and the Board. Also submitted by Mr. Podesta was a progress report to date.

The Board of Trustees unanimously adopted a \$500,000 working goal and accepted the Planning and Development Committee's recommendations for Board of Trustees solicitation committees in Puerto Rico and Stateside. In Puerto Rico the committee will be Dr. Rodriguez Quiñones, Mr. Russell and Mr. Zalduondo; Stateside will be Messrs Findlay, Robinson, Ingalls and Otto. Candidates for top campaign posts and a plan of recruitment were decided upon.

#### President's Council

The President's Council now has 40 members, all prominent in their fields. A first meeting is scheduled for early November to organize a steering committee to initiate plans for the President's Council.
