Dear Ray:

Congratulations again on the outstanding ground breaking ceremonies for the new Religious Complex and Chapel. The program was well planned and effective. It moved expeditiously and everyone was terribly pleased with the Service.

Enclosed is a copy of the invitation which is being sent for our lunch on the 21st of March. It will be great to have you with us.

I have already spoken to Mrs. Wolfe, Al Podesta and Duncan Findlay about the meeting and they will be there too.

If it is not too much trouble, I think it would be a "plus" to have the proposed mock-up of the Complex and Chapel so that those at the lunch can actually see it. In addition, I will arrange with Al Podesta to distribute some general literature.

I am sending copies of this letter to Mrs. Wolfe, Duncan Findlay and Al Podesta for their information.

With personal regards to you and Helen, I am

Yours sincerely,

Robby
