Highlights for week of
February 6, 1967.

From: Wayne Wasson
Development Fund Director

San Germán Friends of IAU

The third meeting of the San Germán Friends of Inter American University was held Friday, February 10. Total number of participants now stands at 31 and \$33,050 have been pledged.

A report meeting followed. The Steering Committee decided to follow-up this next week on all guests invited to the three meetings who have not pledged. Another report meeting will be held next Friday and action planned according to results of the follow-up.

Development Fund

Mr. Wasson has prepared a draft of a plan of action for the Corporate and Business Firms Committee and sent this along with a list of firms in Puerto Rico to Messrs. Sam Casey, Edward Krieger and Polanco Abreu.

Mr. Casey, General Chairman, plans to hold the initial planning meeting with the above named gentlemen and Dr. Hoxeng on Thursday, February 23 to review planning and decide on guests for the first meeting of the Committee.

A list of smaller firms is now being compiled by the Development Fund Office for future use.
