1. A) Yellow Cards - (they were brought in to the Devpt. Office by Mr. Wasson from Tamblin & Brown, Inc.). The cards contain the name of the Company in the U.S., the name of the person head of the company; any information pertaining to the list of the "500 Fortune Directory", the Evaluation of Calderón, The Industrial Association, and the D & B Rate. The Cards have the name of the companies operating in P. R. with the name of the manager and the number of employees of that company. In pencil, it has the information which was obtained from the files.
  - b) White Cards -(4 X6)- Contains the same information as the yellow cards. They are large companies operating in P.R., but do not appear in the yellow cards.
2. The white cards (5 X 10) that Miss Arce filed in the past, have all the information written from the folders that are in the files at the present time.

3. We have gone through the folders and the information that appears has been checked against Zelima's cards, the past donors and all the past Reports On Contributions to Inter American University.
