Dear Mr. and Mrs. Harris:-

It's with great joy I want to let you know how happy I feel for your being at San German in our dear institute.

I am sorry that I can not go to see you as I would like to, but I hope you two and the children are all in health and good spirits.

So are we; mother, Ballina, Pelegrin, Sebastian and I. Father died some seven years ago.

How long will you stay with us? I wish it would be, if not for ever, for a long time, for then I am sure, I could not let you go without trying to see you.

If you ever happen to go by my school, please let me see you. It is a six room building found the first one as you start going from Ponce to San Juan by the Carretera Militar or Central. It's on the right, by the road and its name is Carrion Maduro can be seen on the wall of the

How are uncle Clarence, Maria,
