My dear Mrs Harris: -

Thank you very much for your note. We shall be happy to accept your invitation to visit you when I come back. I shall not be away very long as my husband will be here alone. I have not forgotten the

very nice visit Mollie and I had with you last spring and I have been glad that I had time to see the new buildings and get more closely in touch with the splendid constructive things you and Mr Harris are doing.

With kindest regards to you both from both my husband and myself,

Cordially yours
Harriet C. Lomax
