Dr. and Mrs. J. Will Harris  
Guaajolote Ranch  
Dilley, Texas

Dear Dr. & Mrs. Harris:

Yours of the 10th has just come, and I hasten to assure you that there will be accommodations for you at Costello Hall during your visit.

There is to be an academic procession on Sunday morning, so you will want to use your caps, gowns and hoods.

Dr. Vélez, to whom I have just read your letter, is pleased that the reprint of the Master Plans of the Hills will be available. The bright green and orange colors will make it very attractive. He plans to use it for the All-Campus Tour.

No doubt you have received my letter of yesterday, in which I advised you of the change of dates of the Student Day-Alumni Days Coming, and Rounders' Day. We look forward to receiving word from you regarding your changed travel dates. We will not order tickets for your journey until we hear from you.

Best wishes to both of you, and kind regards from us all.

Cordially yours,

Edward G. Seel  
President
