Nov 11 - 1944.

My dear Jarvis :-

I'm sorry not to be able to attend the Annual Meeting this year. Maybe the war will end and the New Deal will not hatch up a new emergency - if so I plan to be with you in 1945.

I am dreadfully sorry to read of Edith's prolonged infirmities. I hope she recovers soon - breathing in the home air of Penna.

I am also concerned to lest you have to leave Poly. You have done a fine piece of work and at this time you have been especially good in handling finances. I know for during last year I was all but drowned. Edith is such a

benediction not only to you but to  
the whole college, I am to say. Take  
good care of her and do anything

The more we saw of her the more  
we loved her, in the way most

Her 2 fa. were with us for 3

we had a fine time showing

Can you and Edith not find  
it possible to come down to see us?  
I know it is a long way but may  
be worth it all if you can take in  
Mexico, get acquainted with the  
Latin here and maybe fly from  
Yucatan to P.R. Try it! Shake hands  
with all my friends for me - Adell  
and Mrs Adell especially.

Cordially yours  
Orrell Harris
