

THE HOLY BIBLE

The faithful record of GOD'S revelation to man as men are progressively able to understand GOD. It begins as a written revelation with Moses, and ends as a written revelation with Jesus Christ in the New Testament. The complete understanding of this revelation never ends.

It is better understood as learning in the fear and love of GOD increases from generation to generation.

We see GOD'S face in communion and fellowship with HIM, His "Back" in this world's creation--nature-- and the Universe. Exodus 33:20-23 and Psalm 19:1-14.

The HOLY TRINITY in THE GODHEAD
is symbolized

In the first and the only universally accepted and loved INSTITUTION on this earth, The Home of man-- for father, mother and son----- representing God the Father, the Provider; God the Mother, the Comforter, Counselor, Teacher, Sustainer of enduring Love; The SON, JESUS, the perfect man born of a woman and man in his human relation to the world, CHRIST the perfect God living in the flesh for the duration of HIS earthly life, uniting the Father and the Mother in Heaven in offering His body and Himself in an enduring sacrifice uniting the earthly father and mother and all His brethren in the family in one blood, one spirit.

Jesus the man left this earthly home, after shedding His blood for man's sin, ...went as Divine CHRIST to prepare a home for His brethren in Heaven.

John 14:1-4. and ~~John~~ God the Father placed GOD the Mother in charge of this world.

John 14:15-26. 16:1-15. Romans 8:26.

Our earthly mothers are like the Holy Spirit....
When all others fail our mothers on earth never forget us, always hold our hands, day and night assuring us of her enduring love in all things, steadfast and abundant.
