TO: Members of the National Commission

FROM: L. A. Minnich, Jr., Executive Secretary

SUBJECT: National Commission Membership

The Committee on Membership will meet in the spring to formulate the recommendations it will submit to the National Commission at the annual meeting in October. I am enclosing a list of the members whose terms will expire this year. Also enclosed is a list of the forty organizations whose representatives have terms continuing beyond 1961.

If you have suggestions concerning organizations you would like to see represented on the Commission, I would much appreciate your sending them to me. Your suggestions will be conveyed to the Membership Committee. Organizations formerly represented on the Commission (a list of which is attached) are automatically considered for return to membership. However, we would be glad to know of your interests with regard to the return of any particular ones.

We shall also welcome suggestions you may wish to make concerning outstanding individuals who should be considered for membership on the Commission.
