Dear John:

I am attaching a letter of invitation from the Governor to President Lemus of El Salvador. We understand that President Lemus would like to include Puerto Rico in the itinerary of his forthcoming visit to the United States. I talked the matter over with Harry Reed and he suggested that I mail the letter to you for transmittal to the Salvadorean Ambassador in Washington.

It was good to have Harry here, and I think he had a most profitable time.

Best personal regards from,

ARTURO MORALES CARRION
