Mission of Presbyterian Church,
Aguadilla, Porto Rico.

Aguadilla, Porto Rico - September 23, 1912.

I certify that the following is a true translation of the recommendation passed at the meeting of Presbytery of Porto Rico held in Isabela, Porto Rico Sept. 11, 1912:

In consideration of the fact that we profoundly feel the great need in Porto Rico of an Institution of Learning of a Christian Character and in consideration of the fact that we have complete confidence in the Polytechnic Institute of Porto Rico which satisfactorily meets the necessary conditions:

WE RECOMMEND:
that the Presbytery ask aid for this Institution of the "College Board" believing that thus they can greatly help in the progress of the Gospel in our Island.

Arnold Smith
Stated Clerk of Presbytery of Porto Rico
